## BEING THE CHURCH GOD DESIGNED US TO BE.

### THE FORUM

#### Sundays from 1100-1200p @ Prescott Church

The conversation in student ministries gets started on Sundays at 1100a. It's a laid back approach that kicks off the week. We're not about having a lot of stuff going all at once, but rather developing a concept and building into it over multiple weeks. We have found it to be best to introduce an idea and build on that through teaching times, discussions and growth opportunities over the course of a particular series. If Sundays start the conversation off with a core scriptural concept, then Life Groups keep them going.

### LIFE GROUPS

#### Wednesdays from 600-800p @ Prescott Church

We start off the week with great conversations and teaching times from God's Word Sunday mornings, and continue that focus throughout the week, building on it during Wednesday night small groups. What works well for us is our close relationships that are built within small groups, comprised of around ten students and two adults. This is where the conversation gets more practical and real. When Jesus taught the masses, or even his disciples, He never stopped with a five minute sermon- it was the beginning of several life conversations. Life groups are that place where things can be shared on deeper levels, where we invite others into our lives and share ours.

We would love to have you explore this faith with us every week. Check out the dates and times and come on down and join us. If you can't make it on a given day, we would love to join you, wherever you may be.
