Church Worship Services

We are eliminating the Thursday service, but continuing with both the 9a & 11a services on Sundays. We will record the message at the 9a service & will post it to YouTube & our website immediately, so that it is available for viewing by 11a Sundays. It will remain available throughout the week & beyond for those who are unable to attend live services. All other materials and worship songs will continue to be available online by late Saturday or first thing Sunday as they have been these last few months. Today we offer the 9a service as a non-singing/mask optional service & the 11a service as a singing service with masks required only during the singing time. It is our hope that we will soon be able to move beyond masks & offer singing time in both services with our worship team leading live. We are hoping to begin offering kids' ministry in 2 weeks (June 21). We are currently checking with our ministry volunteers and parents to determine which service these ministries would be offered and to be sure that is the best week to start. We will keep you posted! ***Space is limited, please contact church staff which service you are planning to attend, so we can ensure proper spacing.**

Home Worship

We offer worship songs & a Bible message from Pastor Vince. You can stream these by going to prescottefc.com (available Sunday morning by 11a). If you are in a small group, please check in with each other. If you learn of a need in your group, please let us know so we can help! If you know of a prayer need and they are ok with you sharing it, this is a great time to put the prayer chain to it's full use. You can email prayer requests to Sharon Byrne at prayerconcerns@prescottefc.com.

When you get online at prescottefc.com, you will have access to the following:
