Introduction: As we continue to work our way through Paul's letter to the Galatians, we are focused on what a life of freedom looks like.

1. We know it has been liberated from the slavery of sin & the slavery performance.
2. We know it is a life of love & Spirit controlled.
3. It is also a life lived in community with our brothers & sisters in Christ.
4. That's why we need to care for each other spiritually.
5. There is more to community than the spiritual.
  - We have physical, mental, emotional needs as well.
  - Just as spiritual struggles should trigger a caring response, the physical, mental & emotional should as well.

### I. A Call To Care

B. Burden

C. Law Of Christ

### II. Healthy Boundaries

C. Community

Conclusion: In Christ we have much more than eternal life.

1. We have a new family, a new community.
2. As we conduct our lives, sometimes we need help. We do live in a broken world.
3. That's why we have each other. At times I lean on you, other times you lean on me, at all times we lean on Christ.
4. By living in community, we fulfill the law of Christ & show the world there's a better way to live!
