Galatians 6:6-10

Introduction: As we come to Galatians this morning, we are in the midst of a very practical section. Paul is focused on the issue of liberty & community.

1. Lately we've learned:
  - To care for one another when we struggle.
  - To maintain healthy boundaries.
2. Today we continue that focus. Paul starts on the relationship between pastors/teachers & those they instruct.
3. Paul issues a somber warning.
4. He closes with words of encouragement.
5. The key to this passage is the warning.
6. As we understand what Paul is saying & apply it to our lives, we are securing a bright future for ourselves & our church.

### I. An Apostolic Warning

- A. Be Not Deceived
- B. God Is Not Mocked

### II. A Biblical Reality

- A. The Principle
- B. The Particulars
  - Sowing To The Flesh

- Sowing To The Spirit

### III. The Wise Application

- A. Persevere
- B. Generosity

Conclusion: The success or failure of the cause of Christ is directly tied to the health of the church.

1. Paul understood this, which explains his focus on community.
2. Community can be a challenge.
3. As we persevere & live generously with each other, we can overcome those challenges & be the people & church God called us to be.
4. When that is true, we give God a taste of victory & Satan a taste of defeat!
