Introduction: Today we will conclude our study on Incarnational Christianity. We've covered a lot of ground & hopefully learned some things.

1. We conclude with a focus on giving.
2. Far too many people feel organized religion is only concerned with money.
  - Money is a necessity, but we are not focused on your money.
  - We operate on a biblical reality found in Matthew 6:21.
3. God wants your heart, because when He has your heart, He has you, including your money!
  - That sounds so simple ... but it isn't.
  - We live in a world where many things compete to be our treasure, to have our heart.
4. This morning we'll look to scripture to see what God values.
5. When we treasure the things God treasures, we are living incarnationally.

### I. God's Treasure: People

- A. The Image Of God
- B. The Blessing Of God
- C. Relationship With God
- D. Reconciliation With God
- E. The Command Of God

### II. Treasuring The Things Of God

- A. Evaluation
- B. Training
- C. Trust

Conclusion: We have now spent 7 weeks focused on living like Jesus.

1. That is what Christianity is supposed to be about.
2. When we get that, the church is in a position to do what God intended.
3. We are the body of Christ.
4. Christ has the ability to change lives.
5. As we follow in His steps, He does that.
6. Will you let Him have your heart?
