
Leaving A Legacy: A Study In 2 Timothy

“Remembering What Matters”

11-13-22

2 Timothy 2:7-19

Introduction: We are working our way through 2 Timothy where Paul is passing the baton of ministry to Timothy.

1. He started with encouraging words and explained Timothy’s mission.
2. In our text today he deals with distraction (and there are many).
3. To avoid getting off track, Paul challenges Timothy to remember what really matters.
4. That advice is as good today as it was when Paul penned these words.
5. When we focused on what matters, it protects us from drifting.
6. So, what really matters?

I. Jesus Matters

- A. The Resurrection
- B. The Gospel
- C. Endurance
- D. Salvation

II. Truth Matters

- A. It’s Trustworthy

B. It Should Be Remembered

C. It Requires Diligence

D. It Is Secure

Conclusion: Life can be very complicated.

1. If we are not careful, those complications can distract, entangle, and knock us off course.
2. By remembering what matters, keeping things simple, we avoid this.
3. Jesus matters; truth matters.
4. Trust it, live it, and you will find the security that only God offers us!
