
Everyday Christianity
"People Of Influence"
Luke 10:25-37

03-26-23

Introduction: We are in our fourth week of our study focused on "Everyday Christianity".

1. Make no mistake, Christianity by design is an everyday reality, not a Sunday morning religion.
2. So far in our study, we have addressed:
 - Our identity in Christ.
 - How to start the day.
 - The importance of a Christian worldview.
3. As we continue today, we'll focus on becoming people of influence.
 - That is how we are described in scripture!
4. The question is, how do we do this?

I. There Is A Prescription For Influence

A. Found In Scripture

B. Focuses On Others

II. There Is A Pattern For Influence

A. Awareness Of Others

B. Responding To Need

C. Sacrifice

III. There Is A Plea For Influence

A. It's Personal

B. It's Pointed

Conclusion: I would never want to minimize what we do on Sunday mornings as we worship.

1. That worship is invisible and fails to influence most people in our world.
2. That is why everyday Christianity is vital.
3. If we are going to influence our world as Christ intended, we must become people of influence.
4. The good Samaritan shows us how.
5. Now we need to follow his example!
