3. Christianity is a lifestyle we practice 24/7/365 for the rest of our lives.
4. As we close our study, we will focus on decision, regrets, and the process of change.
5. We make decisions every day; do you have a process to guide you?
6. We all have regrets (none of us are perfect); do you know how to minimize them?
7. Do you know how to change?
