 Transfer the underlined letters to the blanks at the end to find out something Jesus is teaching us today.

James and John asked a favor of Jesus. They wanted to be his most important assistants when he became king. Jesus said that they didn't understand what they were asking. James and John were expecting glory. Jesus knew he was going to suffer and die.

He taught them that even though kings like to boss people around, Jesus' followers should not act like that. Whoever is the greatest is the one who is the servant of all the rest. Even the Son of man did not come to be served, but to serve, and to give his life as a ransom for many.
