2 Samuel 7

11-12-23

Introduction: As we continue our focus on David, we are seeing how he systematically is making Israel into the nation God intended them to be.

1. After uniting the kingdom under his rule, he has:
  - Conquered Jerusalem and made it his capital.
  - Brought the Ark of the Covenant to Jerusalem.
  - Ushered in an era of stability and peace.
2. He now intends to build a temple to house the Ark.
3. Because that seems like a good idea, Nathan the Prophet tells David to proceed.
4. Then God intervened.
  - David would not build the temple.
  - But God would establish a Davidic Dynasty.
5. As we work through the narrative, we'll get real life insight into God's sovereignty.
6. As followers of Jesus we should always recognize, accept, and submit to God's sovereignty.

### I. Examples Of Sovereignty

- A. An Era Of Peace
- B. No Temple At This Time
- C. Soloman's Temple
- D. A Davidic Dynasty

### II. Responding To Sovereignty

- A. Who Am I?
- B. God's Prerogative
- C. No One Like God
- D. May It Be So

Conclusion: As followers of Jesus, we should be on the lookout for God's Sovereignty.

1. As we discover His will, we should accept it.
2. Lastly, we should look for any role we may have in God's plan and fulfill it.
3. By aligning ourselves with God:
  - We bring glory to Him.
  - And blessing to our lives.
