
The Road To Restoration

“Belief”

02-18-24

Matthew 11:28-30, Luke 8:26-29

Introduction: Last week we began a new study we’re calling, “The Road To Redemption”.

1. The premise is simple. We live in a broken world, amongst broken people, as broken beings.
 - We all need restoration.
 - Restoration is a process.
2. Last week we identified the problem: sin.
 - Sin has separated us from God and left us isolated in a broken world.
 - The answer to sin is Christ. Restoration always starts with God.
3. As we closed last week, we looked at His invitation to each one of us.
4. Today we will dig into this invitation in depth.

I. Accept The Reality of God

A. Who Is God?

B. What Is He Like?

C. Why So Much Evil?

II. Experience The Relief He Offers

A. Based In God’s Power

B. Dependent On My Belief

Conclusion: None of us have faced the extreme of this demon possessed man.

1. We have all experienced brokenness.
2. On some level, we need healing and restoration.
3. We’ve identified the problem, it’s a problem we cannot overcome on our own.
4. If you bring your brokenness to Jesus, believing He is the answer ... He will heal, He will begin the process of restoration.
